Any further groups will be considered by the committee but will only be established as a new group, if there are a minimum of 5 persons to begin with.

Any area of interest can be considered as long as there are sufficient members to start a new group, which may be 5-6 members. Some groups are limited to 12 persons and there could be a wait for a vacancy.

Many Groups meet in a members’ home. Are you willing to have a meeting of a study group occasionally in your home? **YES / NO**

Note: It is essential that members have paid their subscription before joining a group.
